

Board Representatives to Standing and Single Purpose Committees

Excerpts from the Guidelines for Village Committees, effective January, 2012:

Board Representatives:

A Representative from the Board will attend meetings of those committees subject to membership appointment by the Board. The purpose of the representative is to facilitate communication between the committee and the Board. Any Board member may attend any meeting of a committee in an unofficial capacity.

Board of Managers:

The Board shall appoint all committee chairs and all members of the following committees: Trees, Public Works, Public Safety, Budget, Traffic, Audit, Investment and all single Purpose (ad hoc) Committees. Each committee will meet with the Board periodically and at least annually to establish and review the work program and accomplishments of the committee.
